

WBL Newsletter

March 2022

New to the WBL Crew

OWTS has formed new partnerships with the businesses listed below.

Recently, each business has taken on an OWTS Work Based Learning student for the first time! We look forward to continuing to work together!

- **Addison Electric**
(Torrington, CT)
- **Gianni's Autobody**
(Torrington, CT)
- **AFC Urgent Care New England**
(Torrington, CT)
- **DRT Aerospace, LLC**
(Winsted, CT)
- **Tidy's Services, LLC**
(Winsted, CT)
- **Finney Electric**
(Canaan, CT)
- **M and H Equipment**
(Harwinton, CT)
- **C.H. Nickerson CO, INC**
(Torrington, CT)
- **Muecke Design and Construction, INC**
(Litchfield, CT)

ATTENTION Sophomores & Juniors!

You are able to obtain a WBL job once you are 16 years old and a junior. (Current 10th graders are technically juniors on June 21st)

If you have a job in your trade area and are not registered as a WBL student yet, please see me ASAP!

Licensed trades: Electrical, HVAC, PMT, Hairdressing

- If you are planning to work over the summer at an approved trade sponsored business, ALL your summer hours will count towards licensure! MAKE SURE you are registered as a WBL student and a pre-apprentice for your hours to count!

Reminders

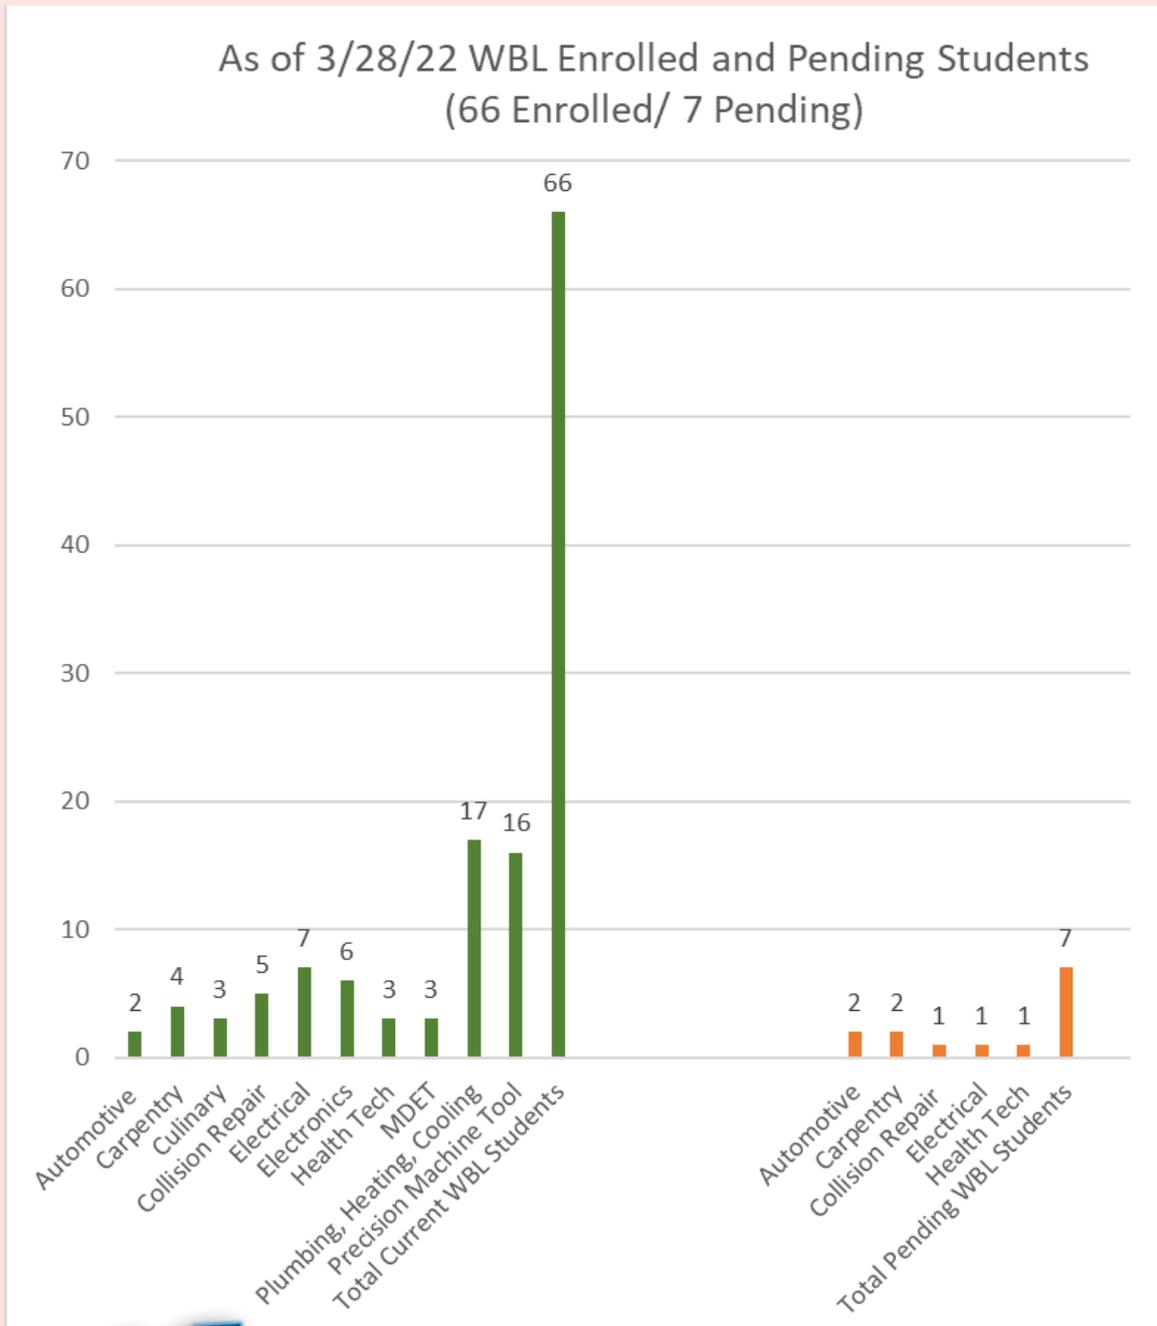

In order to participate in WBL you must

- be 16 years of age
- be a junior or senior
- have a 70% or above in all classes
- be in good attendance standings

We can help you with your job search, but we are not a job placement program. You must earn, apply for, and/or interview for, your own positions.

If you have further questions about WBL, please email me at Stephanie.Seitlinger@cttech.org

March WBL Numbers

More than 50% of our Plumbing, Heating and Cooling students participate in WBL! That means every hour they work, during school AND after, goes towards licensure!

CONGRATS!

*to Mr. Pergola, Mr. LaMere, and All
PHC WBL students!*
